

Reverse Coed Fours – Rules and Policies

- 1) Except as noted below and in the FVC Rules, USA Volleyball rules shall apply.
- 2) This division of play will not have paid officials. Teams playing in this division are expected to honor their work assignments by providing a “Facilitator” in addition to the work team requirements documented in our Rules.
- 3) The Facilitator shall be responsible for regulating the match as a paid official would, with the following clarifications:
 - a) Expected to be familiar with FVC rules and have a copy available at all matches.
 - b) Expected to control the timing of the match. Matches must start and end on time.
 - c) Expected to enforce forfeit procedures.
 - d) Expected to resolve disputes between teams, including in/out calls, ball handling violations, touches, being ready for serve, etc.
 - e) Not expected to use a whistle to beckon for serve or stop play for violations.
- 4) Honor calls are expected by all players. Any dispute over a call (or lack thereof) that the Facilitator cannot reasonably resolve shall be a replay. Calls made by the Facilitator are final.
- 5) Players are expected to treat the Facilitator as if they are a paid official. Interactions between players and the Facilitator are subject to the FVC code of Conduct for all parties.
